# ZOÉ

## **SOPHISTICATED SCREED LOOK WITH PERFECT APPLICATION AND A MOULDING-CONCEPT.**

Zoé demonstrates its true capabilities when firmly laid with matching ceramic stairs and edges. We call it the “comfort concept”. This perfect application is also really easy to achieve with the quick-laying 30 x 30 or 30 x 45 format. Yet it also offers a prestigious look and a nice feel underfoot. And it is completely organic – no impregnation, no time-consuming maintenance with aggressive chemicals, blowtorches, pressure washers or acrobatic scraping of the pointing. Just water and a cloth are enough. This leaves more time for relaxing. And with ceramic tiles, barbecues are no problem. Zoe provides minimalist design with a sophisticated screed look in four colours and a matching loft moulding range.
