ASAR

**MODERN, UNDERSTATED CERAMICS IN THE RECTANGULAR MINI-LARGE FORMAT.
UTILITY-ORIENTED AND LOFT-LINE REDUCED.**

Asar is the embodiment of application-oriented understatement ceramics for more free space. Not excessively rustic in terms of design. Neither too small nor too large in terms of size. From the visual point of view Asar is somewhere between dry savannah and windblown Sahara sand.

With the rectangular mini-large format of 25 x 50 cm, Asar can achieve maxi effect on a mini space, even with renovations on sub-optimal substrates. From outdoors to indoors. It goes without saying that there is a large range of trim pieces. With a modern loft design.
